

Year 6 Graduation 2019

*Assalamu-Alaikum
Warahmatullahi Wabarakatuh*
بسم الله الرحمن الرحيم

As always, the Year 6 graduation ceremony for the class of 2019 was celebrated in style with plenty of awards and acknowledgements. The ceremony commemorated the completion of 8 years of Primary schooling as graduates were about to embark on the next stage of their educational endeavour, Secondary school. Trials and tribulations were surely encountered along the way, however, our students soldiered on to successfully complete Primary education. I am exceptionally proud of all our graduates, Alhumdulillah. The ceremony brought back beautiful memories and students took the opportunity to honour the people who have made an invaluable contribution to the success that was being celebrated - their devoted parents and dedicated teachers. There were many awards and prizes including the highest accolade, the Dux Award. The 2019 Dux for Year 6 was Ayesha Kanaan and Dux-Runners-Up were Muhammad Ajmel Yaasir Shakir and Sofea Anistino. May Allah (SWT) make your transition to secondary school easy and grant you success in your studies and endeavours throughout high school and beyond Insha-Allah.

On behalf of the Board of Governors, staff and students of Langford Islamic College, I congratulate the Year 6 Class of 2019. My duas for your success in this life and in the hereafter will always be with you all, ameen.

Year 6 Graduation 2019

First, we would like to extend our heartfelt congratulations to the graduates of 2019. You should be very proud of yourselves for accomplishing the goal of completing Primary School.

To the families of the graduates, congratulations to you and for your support through this process which has had an enormous impact. I'm sure you're very proud of your children as they leave this part of their lives and prepare for the next step into high school.

To the Year 6 students, thank you for being a great bunch! Your wonderful attitude has made this year a very enjoyable one for us all. Although this is a time to look back and perhaps say goodbye to old friends, it is also a time to look forward and a time to set new goals and dream new dreams.

We wish you Allah's (SWT) greatest blessings and guidance for your journey ahead.
